

Elbala

Sue,
 This year has been
 an inspiration to me
 because knowing someone as
 sweet as you has made it this
 way.
 I pray that you will have
 success in everything that you do.

For a very sweet
 to a considerate person. Thank
 all the help in English
 because without your help, I
 might not have made it. 5B6
 Sue,
 I'll always
 think of you as a
 very sweet and friendly
 girl. This year is almost over
 but I hope our good times won't end
 Best wishes,
 Eddie

Sue:
 This has really
 been a good year
 for me in this school
 its people like you
 that made it nice to
 be a senior at Elba
 High School. Good
 luck in your marriage
 and in all things
 who get into in
 the future.

Sue
 all the people like you who have
 made this place barabite. Hope
 you and Philp have the best of
 luck. Love Mike Darden

Dedication

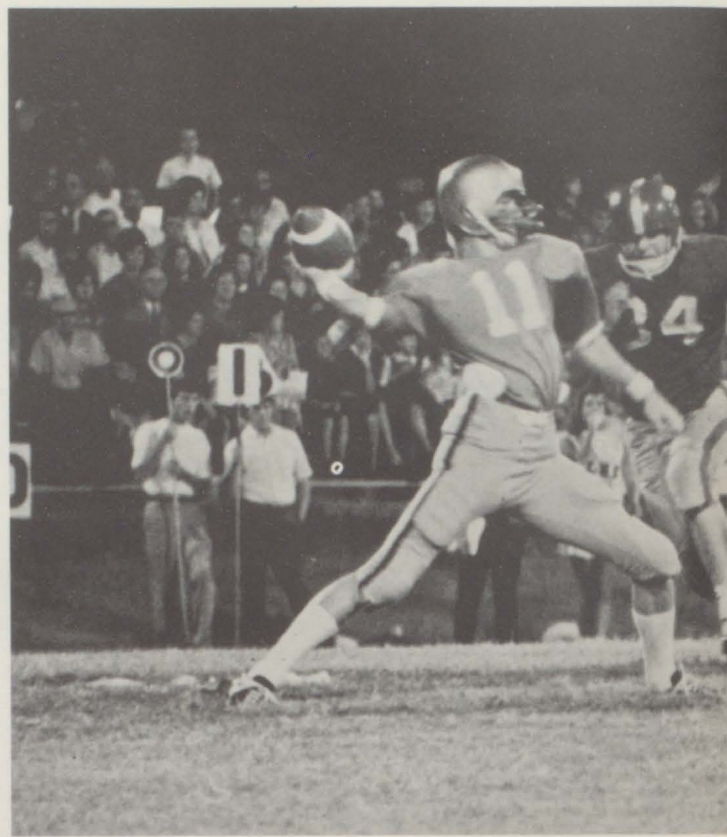

Certainly one of the greatest things about Elba High School is its faculty, and we are fortunate that it is possible for us to know our instructors. In fact, the faculty is so much a part of our school life that we frequently become very closely associated with a teacher and develop binding ties. We are proud to dedicate the 1969 Elbala to such a teacher. She is never wasting time. Her industry amazes us, and every job she undertakes is done with great competence.

Some of us have worked with her. Some of us have been advised by her. Most of us have been students in her classes. Some of us have known just her smile and her friendly manner. Goethe once said that a good teacher is one who stirs our hearts while increasing our knowledge. In the short time she has been in our school, she has turned a course of instruction into a course of inspiration. What she has given us cannot be lost with the years.

Miss Louise Marler, we dedicate this annual to you.

Schools follow a common trend in

toward becoming individual and

advancing the youth of today

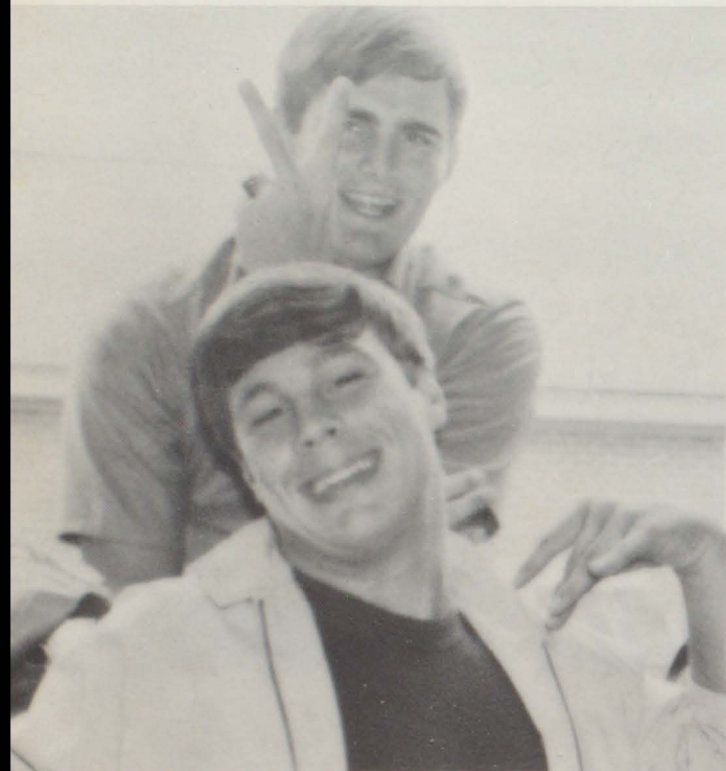

unique in this conforming world.

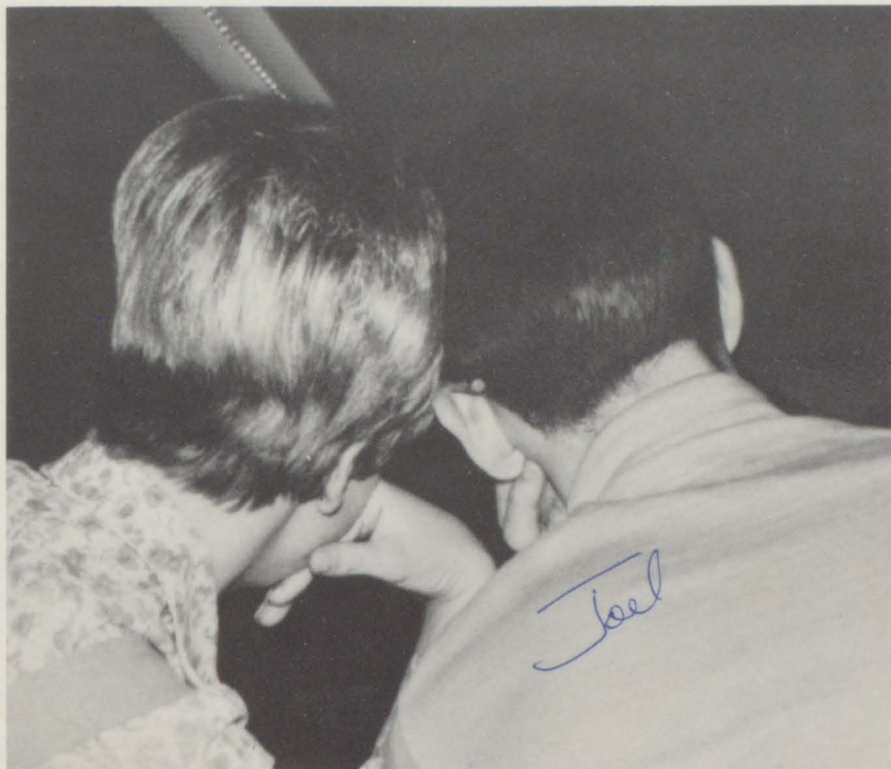

We, the students of Elba High School,

pride ourselves,

not only in being individuals, but in having

A Uniqueness

That Is Ours.

Sue, It's really been great all these years. I think you're the most all around person I know. You've got everything going for you and I think it's wonderful. You deserve the best possible. We've had some really fine times in the past and more is in store for the future. You be good and don't get into trouble. Don't you give that personality away. That's one thing you'll need to cherish forever. It's really great. Be Good & Study Hard next year. You & Bogi come see me at the V of A. and we'll have a big time -

ATHLETICS

ELBA TIGERS

Coach Leon Akins is a graduate of Atmore High School and the University of Southern Mississippi. Upon graduation in 1962, he served three years as Assistant Coach at University Military School in Mobile. His next position was in Andalusia where he was Assistant Coach for two years. In 1967, Coach Akins joined the Tigers as Head Coach. Following a remarkable first year at Elba, he received the honor of coaching the South team in the 1968 State High School All-Star game. As Head Coach, he guided his team to a convincing victory. This year has been another remarkable and successful one.

Football

Game by Game

The Tigers traveled to Brantley for the season opener. Combining offense and defense in a near perfect fashion, the Tigers were easy victors in this one. Final score: Elba 34, Brantley 0.

The following week was perhaps as sound a game as could be played by Elba against a team such as Luverne. Stopping the heralded ball control of Luverne was the order of the night, and the Tigers rose to the occasion. The offense sputtered at times, but it took advantage of big opportunities. Final score: Elba 14, Luverne 7.

The first home game of the season was a battle of unbeaten powerhouses in Tiger Stadium. A slight underdog going into the game, the Tigers showed a devastating ground game and prevailed in a thrilling battle of defenses. Final score: Elba 7, Opp 6.

In the fourth game of the season, the hometown fans received thrill after thrill as the Tigers demolished the Hartford Bulldogs. A dazzling aerial circus and a rugged defense were more than enough to keep the Tigers in the undefeated ranks. Final score: Elba 47, Hartford, 6.

Next, the Tigers journeyed to Brundidge to take on the Pike County High School Bulldogs. Staying with the basic strategy points, Elba moved the pigskin almost at will and made very few mistakes. The result was a convincing victory over a well-coached but out-manned team. Final score: Elba 30, Brundidge 0.

A capacity crowd and a most enthused student body watched and roared as Elba survived beautifully the stiffest test thus far in the aging season. Even though the Tigers were unbeaten, they found themselves a six to ten point underdog in Tiger Stadium against the annual rival Enterprise Wildcats. After a nip and tuck first half, superb coaching and play execution found the few weak points in a very much underrated Enterprise defense. The Tiger defense was outstanding throughout the affair, and happiness prevailed as Elba remained un-

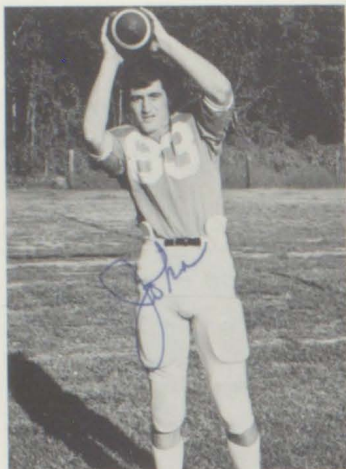

defeated. Final score: *I think that's good* Elba 20, Enterprise 6.

Defeat was tasted for the first time on Homecoming night at the hands of the Samson Tigers. Although hampered by minor injuries to key players, no excuses could be made. It just was not the night for the home team as Samson took advantage of many opportunities and pulled off one of the biggest upsets of the season. Final score: Elba 13, Samson 21.

The Tigers got back on the winning trail in Geneva at the expense of a crew of very scrappy Panthers. Elba featured a brilliant running game and a sufficient passing attack while the defense held Geneva at bay throughout the game. Final score: Elba 20, Geneva 7.

Back at home again against the Andalusia Bulldogs, the Tigers showed their best offensive attack of the season. After taking a quick lead, Elba settled down to a conservative offense. Many players had a chance to get valuable experience during this scrap. The Tigers moved the ball at will, and this, together with an extremely stingy defense, produced pleasing results. Final score: Elba 34, Andy 0.

After turning down an invitation to the Peanut Bowl in Dothan in favor of a possible playoff berth, the Tigers traveled to Troy to take on the Trojans. In a pressure-packed contest in Memorial Stadium, the Tigers got off to a bad start, and were never able to overcome a quick Trojan lead. Troy was by far the Tigers' best opponent of the season, and this was very evident. Playing a very solid ball-control offense, the Trojans afforded very few good opportunities for Elba. Showing a never-give-up attitude that was present throughout the campaign, the Tigers were nothing like embarrassed in the final game of the season. Final score: Elba 14, Troy 28.

Happiness is Rabbit at the ribbon.

Happiness? — is an unexpected picture.

*We've had some good times together. Hope we can have some more time.
Love ya
Lou*

See, I can't say how much your friendship has meant to me these past two years. Last year if you hadn't listened to my problems and talked to me about it, I don't know what I would have done. After you leave this year, remember me sometimes o.k., cause I'll still be down here. I want to wish you and Boogie the best luck in the whole world. See stay just as you are with your winning ways, great personality and warm smile and you will always have friends. It's been great knowing you these past years and I consider your friendship very dear. Remember me always.

I will always remember you because you've got a smile for everyone. Keep that up & you will succeed in anything you undertake. Always remember the good times we had together. See ya at E.S.C. Love you, Jennell & Sonny
